

Data Flex Business Products, LLC

Great news!
We can now serve
you better.

February 1, 2016

This is an exciting time that we are happy to share with you. Operating Data Flex Business Products, LLC for more than 30 years has been both a challenging and rewarding experience. **In order to better serve you, the customer, we have made the decision to merge with Safeguard Business Systems, Inc., dba Safeguard.**

Safeguard, a nationally recognized company, brings more than 50 years of experience that we are happy to plug into. Safeguard Business Systems, Inc., is the local Safeguard distributorship and has operated in the area for more than 30 years. Data Flex Business Products, LLC has been your one-stop shop for all of your printing needs. Now, with **Safeguard**, we are able to bring you a vastly increased product offering to more completely serve you and your company's needs.

As a result of this new venture, your invoices and packing slips will look different. Also, with this merger, we are able to take advantage of centralized billing. Please note that payments will be going to a new address and you will make checks payable to Safeguard. We have attached sample images of the new invoices, so please don't be surprised when you receive them.

I will be part of the transition team and always available to assist you as well. This letter is a simple introduction to our merger with **Safeguard**, and our opportunity to provide a brief highlight of products, creative ideas and services that support your immediate business needs. These include products such as:

- Business apparel to outfit your entire team
- A full line of advertising specialty products to promote your business
- Stationary, business cards, mailers and mailing services to make the right impression and recapture clients
- Checks, forms, tax forms, folders, envelopes, labels and pressure seal equipment for managing your business
- Embroidery, screen printing and sublimation
- In-house graphic design

We will follow up with you soon, and we look forward to being able to do even more for you. Please contact us at the numbers and email addresses you have always used with any immediate questions or needs you may have.

Sincerely,,

Art Throgmorton
